PMCI'S RIGHT TO CANCEL/SUSPEND OR TERMINATE

The school may cancel, suspend or terminate the Enrollment Agreement at any time if the undersigned student violates any of the following policies and/or agreements:

- Failure to maintain satisfactory academic progress.
- Failure to comply with the school's attendance policy.
- Failure to comply with the school's student conduct policies.
- Failure to meet all financial obligations to the school.
- Violation of any of the conditions as set forth and agreed to in the Enrollment Agreement.

The school also reserves the right to change or modify the program contents, instruction and clinical time, equipment, staff, or materials as it deems necessary. Such changes may be necessary to keep pace with technological advances and to improve teaching methods or procedures. In no event will such changes diminish the competency or content of any program or result in any additional charges to the student.

REFUND POLICY

STUDENT'S RIGHT TO CANCEL

Each student has the right to cancel/voluntarily terminate the program and obtain a refund of charges paid through attendance at the first class session or the seventh day after enrollment, whichever is later. If a student wishes to cancel/terminate the enrollment agreement or withdraw from the institution, the student must notify the school. Written and/or verbal withdrawals are acceptable.

If the student withdraws from a course after instruction has started, the student may receive a pro-rated refund for the amount of instruction paid for but not received. Refund calculations will be based on the day a withdrawal letter is received. NOTE: A student is charged for an entire day not by the hour. Any materials that a student has paid for but not received will be refunded in full. Any materials that a student has paid for and received will not be refunded.

No refunds will be given if the student has attended more than 75% of the course and the student concerned will still be liable for any tuition due. Also, if the student has received federal student financial aid funds, the student is entitled to a refund of money not paid from federal student financial aid program funds.

The school reserves the right to cancel or reschedule a class start date due to insufficient enrollment. If this occurs, the student may request a full refund of all money paid less the registration fee, or apply all money paid to the next scheduled class start date.

PLEASE NOTE: The "Itemization of Fees and Charges" on page 2 has detailed information on refundable and non-refundable items.

All refunds will be paid within 45 days from receipt of cancellation or withdrawal letter or the date the institution terminates a student for breach of attendance, conduct, academic and/or financial policies. If an applicant never attends class (no-shows) or cancels the contract prior to the class start date, all refunds due will be made within forty-five (45) calendar days of the first scheduled day of class or the date of cancellation, whichever is earlier.

Student's rights and responsibilities with the respect to the Student Tuition Recovery Fund

It is now a state requirement that a student who pays his or her tuition is required to pay a state-imposed assessment for the Student Tuition Recovery fund.

"The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program."

"It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capital Oaks Drive, Suite 400, Sacramento, AA 95833, 916-431-6959 or 888-370-7586."

To be Eligible for the STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an education program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out-plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number."

Enrollment Agreements For Students whose primary language is not English:

An enrollment agreement shall be written in language that is easily understood. If English is not the student's primary language, and the student is unable to understand the terms and conditions of the enrollment agreement, the student shall have the right to obtain a clear explanation of the terms and conditions and all cancellation and refund policies in his or her primary language. Please inform PMCI of your need for an enrollment agreement in a language you understand.

TRANSFER OF CREDITS

While PMCI does not currently offer financial aid through any federal or state government program, any loan obtained is the sole responsibility of the student. If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. CEC94911(f). The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid. CEC 94911(g)

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION
Becoming a Certified Nursing Assistant (CNA) is the student's responsibility. PMCI does not offer a CNA Certificate but only offers the necessary training to be eligible for certification by the State of California. The transferability of credits you earn at PMCI before becoming a CNA is at the complete discretion of an institution to which you may seek to transfer. Acceptance of a PMCI Certificate of Completion is also at the complete discretion of the institution to which you may seek to transfer. If the PMCI Certificate of Completion is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at PMCI will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending PMCI to determine if your Certificate of Completion will transfer.
