IF the majority of graduates from this program obtain jobs in self-employment or freelance work add:

This program may result in freelance or self-employment. (Most graduates are employed by facilities, hospitals, clinics, or health care agencies)

- The work available to graduates of this program is usually for freelance or self-employment.
- This type of work may not be consistent.
- The period of employment can range from one day to weeks to several months.
- Hours worked in a day or week may be more or less than the traditional 8 hour work day or 40 hour work week.
- You can expect to spend unpaid time expanding your networks, advertising, promoting your services, or honing your skills.
- Once graduates begin to work freelance or are self-employed, they will be asked to provide documentation that they are employed as such so that they may be counted as placed for our job placement records.
- Students initialing this disclosure understand that either a majority or all of this school's graduates are employed in this manner and understand what comprises this work style.

Student's Initials: _____ Date: _____

Federal Student Loan Debt

| Most recent three year cohort default rate, as reported by the United State Department of Education. ¹ | The percentage of enrolled students in 2015 receiving federal student loans to pay for this program. | The average amount of federal student loan debt of 2015 graduates who took out federal student loans at this institution. | The percentage of graduates in 2015 who took out federal student loans to pay for this program. |
|---|--|---|---|
| None | None | None | None |

¹The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

Cancellation disclosure from Enrollment Agreement shall be provided on a separate document in 12 point type and 1.15 spacing.

Caption shall state "STUDENT'S RIGHT TO CANCEL" in bolded 14 point type

STUDENT'S RIGHT TO CANCEL

Each student has the right to cancel/voluntarily terminate the program and obtain a refund of charges paid through attendance at the first class session or the seventh day after enrollment, whichever is later. If a student wishes to cancel/terminate the enrollment agreement or withdraw from the institution, the student must notify PMCI. Notice may be hand delivered or mailed. Verbal, telephone or email withdrawals are also acceptable. The withdrawal letter may be mailed to:

**Professional Medical Careers Institute
Attention: Director of Nursing/Administration
920 Hampshire Road, Suite S, Westlake Village, CA 91361**

Last Acceptable Date of Withdrawal for Full Refund: (7 Days after enrollment or first class session – whichever is later) _____

If the student withdraws from a course after instruction has started, the student may receive a pro-rated refund for the amount of instruction paid for but not received. Refund calculations will be based on the day a withdrawal letter or notice is received. NOTE: A student is charged for an entire week not by the day. An instructional week is approximately \$450. If books are purchased for a student and they cancel after books are ordered for them they will be charged a handling/return fee of \$100 to ship and return unused books.

No refunds will be given if the student has attended more than 75% of the course and the student concerned will still be liable for any tuition due. Also, if the student has received federal student financial aid funds, the student is entitled to a refund of money not paid from federal student financial aid program funds.

The school reserves the right to cancel or reschedule a class start date due to insufficient enrollment. If this occurs, the student may request a full refund of all money paid less the application fee, or apply all money paid to the next scheduled class start date.

PLEASE NOTE: The "Itemization of Fees and Charges" on pages 1- 2 has detailed information on refundable and non-refundable items. All refunds will be paid within 30 days from receipt of cancellation or withdrawal letter.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of the refund.
